**** UPDATE ****

STATE POLICE IDENTIFY WEAPONS USED IN SANDY HOOK INVESTIGATION; INVESTIGATION CONTINUES

In previous press conferences, the Connecticut State Police clearly identified all of the weapons seized from the crime scene at Sandy Hook Elementary School.

To eliminate any confusion or misinformation, we will again describe and identify the weapons seized at the school crime scene.

Seized inside the school:

- #1. Bushmaster .223 caliber-- model XM15-E2S rifle with high capacity 30 round magazine
- #2. Glock 10 mm handgun
- #3. Sig-Sauer P226 9mm handgun

Seized from suspect's car in parking lot:

- #4. Izhmash Canta-12 12 gauge Shotgun (seized from car in parking lot)

The shooter used the Bushmaster .223 to murder 20 children and six adults inside the school; he used a handgun to take his own life inside the school. No other weapons were used in this crime. This case remains under investigation.

Lt. J. Paul Vance
